@ THE AI OFFICES  
324 HOPE DRIVE, WINCHESTER  
TUESDAY APRIL 12 — 4:00 -7:00 PM

Assistive Technology Carriers will display **gadgets** for you to try.

Access Independence announces:  
disAbility Awareness Week

SET A COURSE

FOR SUCCESS

April 9-15, 2011

AI's Deaf & Hard of Hearing Outreach office has many gadgets that assist people who need listening devices. Inventors, bring your AT implements to display at the Funfest. You may bring drawings, pictures or your handmade device. Parents are invited to bring their inventions, too. Your AT ideas might help someone else in their quest for independence!

Snacks and drinks will be served.
